

Eshta Devatha K

UI/UX | Website Designer

Coimbatore | eshtadevatha06@gmail.com | +91 8610956686 | [Behance](#) | Portfolio

Professional Summary

UI/UX Designer with real product experience and strong technical understanding of frontend systems. Skilled in translating designs into implementation-ready interfaces using HTML, CSS, JavaScript, and React. Works with tools like VS Code, Cursor AI, Bolt, and Lovable to support development workflows and build practical, user-focused solutions.

Skills

UI/UX Design : User Flows, Wireframing & Prototyping, Interaction Design & Usability, Information Architecture & Visual Hierarchy, Design Systems (Basics)

TECHNICAL UNDERSTANDING : Working knowledge of HTML, CSS, JavaScript & React (UI implementation awareness), Understanding of responsive design and frontend structure, Familiar with developer handoff and design-to-development workflow

Tools : Figma, Adobe XD, Notion, Miro, Photoshop, Framer (Basic understanding), Canva.

Experience

Marma Fintech — UI/UX & Visual Design Intern

Nov 2025 - Apr 2026

- Contributed to 2 product features (crypto gaming & fantasy cricket) with end-to-end UI design.
- Designed key screens (splash, error, early access, core flows) used in 90% of final implementation.
- Created 25+ custom avatars, improving personalization within the product
- Collaborated with developers to deliver implementation-ready, consistent UI components

Projects

Zoom AI Companion (UI/UX Case Study)

Apr 2026

- Designed 10+ screens for an AI-powered meeting assistant
- Introduced 3 core features (Smart Catch-Up, Mini Map, Quiz) to improve engagement
- Structured information architecture to simplify complex meeting content
- Focused on improving user engagement through guided and interactive UI
